## EXPERIENCE

### **WALMART — Self-Checkout Machine Operator**

AUGUST 2020 – PRESENT

Currently working as a Machine Operator at Walmart. My daily responsibilities are but are not limited to; maintaining the self-checkout machines, troubleshooting, and fixing errors that persist on the handheld devices. In addition, I answer questions about the store app, guide customers through the process of using the machine, assist customers when there are machine errors, and make sure customers are satisfied with their overall shopping experience.

### **U.S. ARMY — INFANTRY TEAM LEADER**

OCTOBER 2011 – JUNE 2020

I was a Sergeant in the US Army. I was responsible for equipment worth over \$100,000 and supervised a small team of soldiers. I assisted my leaders with special tasks and trained new soldiers in tactical drills.
